MySQL bugs that affect SQLyog: Schema Sync erroneously reports a TIMESTAMP as defined with NULL

This is a bug with MySQL and the MySQL statement "SHOW FULL FIELDS". See the official bug-reports here:

http://bugs.mysql.com/bug.php?id=22377

and here: http://bugs.mysql.com/bug.php?id=20910

Patches were posted to the different MySQL versions affected early in the year of 2007.
