Purchasing and Licensing: What is non-commercial use?

"Non-commercial Use" means the use of the Software Product for noncommercial purposes only, and is limited to the following users:

- Non-profit organizations (charities and other organizations created for the promotion of social welfare)
- Universities, colleges, and other educational institutions (including, but not limited to elementary schools, middle schools, high schools, and community colleges)
- Independent contractors who are under contract by the above-stated organizations and using the Software Product exclusively for such nonprofit or educational clients
- Government organizations and agencies
- Other individual users who use the Software Product for personal, noncommercial use only (for example, hobby, learning, or entertainment).

Webyog reserves the right to further clarify the terms of non-commercial Use at its sole determination.
